

**STATE OF OHIO**  
 Department of Health  
 Bureau of Radiation Protection

**2009 RECIPROCITY AUTHORIZATION**  
**00004 PA 0916**

Reciprocity is authorized for activities involving radioactive materials in Ohio for the period

**January 1 through December 31, 2009**

for the following NRC or Agreement State radioactive materials licensee:

Licensee Name: **APPLIED HEALTH PHYSICS, INC.**  
 Licensee Address: **2986 Industrial Blvd.**  
 City, State, Zip Code: **Bethel Park, PA 15102**  
 Contact Person: **Todd Mobley**  
 Phone: **412-835-9555**  
 License Issuing Agency: **Pennsylvania**  
 License Number(s): **PA-0228 A**                      **PA-0228 B**  
 Expiration Date(s): **March 31, 2011**                      **August 31, 2018**  
 Authorized Activities: **Source Exchange; Maintenance & Repair; Leak Test; Calibration; Waste Packaging, Transportation & Disposal; Decontamination & Decommissioning; Site Characterization & Remediation**

Activities involving radioactive materials conducted in Ohio under this authorization shall be performed for no more than 180 days during the calendar year and shall be conducted in accordance with the conditions of the most recent amendment of the NRC or Agreement State radioactive materials license referenced above and with the Ohio Administrative Code. In particular, the licensee must:

1. Inform the Bureau of Radiation Protection, in writing, at least three (3) days in advance of any licensed work to be conducted in Ohio under this reciprocity authorization, providing the date(s), duration, location, contact information, and any other pertinent information.
2. Notify the Bureau of Radiation Protection, promptly, in writing, and prior to conducting further work, whenever the NRC or Agreement State license upon which this reciprocity authorization is based is amended by request, order, or otherwise.
3. Notify the Bureau of Radiation Protection, promptly, in writing, and request termination of this reciprocity authorization when the licensee decides to terminate all activities in Ohio involving radioactive materials conducted under the NRC or Agreement State license referenced above.
4. Request and obtain a specific Ohio radioactive materials license before the licensee conducts work for more than 180 days, or if the licensee wants to receive or use radioactive material in any manner not specifically authorized by the NRC or Agreement State radioactive materials license referenced above.

The information requested in items 1 through 4 above may be submitted through the Bureau's on-line database or to "Attention: Reciprocity Supervisor" via fax to 614-466-0381 or by e-mail to: [BRadiation@odh.ohio.gov](mailto:BRadiation@odh.ohio.gov).

Reciprocity  
 Authorization  
 Approved By:

Robert E. Owen, Chief  
 Bureau of Radiation Protection  
 On behalf of the Director of Health
